Qualification of Alien Insurers for the Arizona List of Unauthorized Surplus Lines Insurers (White List)

Since the passage of the Federal Non-admitted and Reinsurance Reform Act (NRRA) and Arizona House Bill 2112, surplus line brokers may place insurance with any Alien surplus line insurer on the NAIC Quarterly Listing of Alien Insurers. Therefore, the Department has determined that it will no longer be necessary to sponsoring surplus line brokers to submit re-qualification documents to the Arizona Department of Insurance for listing Alien insurers on the List of Qualified Unauthorized Surplus Lines Insurers (White List). The Department will be providing on its website a link to the NAIC Quarterly Listing of Alien Insurers.

Brokers may not place surplus lines business with unauthorized insurers which have not been qualified with the Arizona Director of Insurance and been placed on The List unless the surplus lines insurer is an Alien listed on the NAIC Quarterly Listing of Alien Insurers.
